2. Coastal Services - We provide **cost-effective and eco-friendly coastal shipping solutions**, connecting major Indian ports with inland destinations.

Key Highlights:

- Regular coastal shipping across key ports
- Seamless first-mile & last-mile connectivity
- Containerized movement (Dry, Reefer, ODC)
- Reduced transit cost & fuel consumption
- Sustainable alternative to road transport

Your Benefit:

Faster, greener, and more economical cargo movement along India's coastline.

COASTLINES OF INDIA

3. Multimodal Services - We integrate **road, sea, and coastal transport** to deliver seamless, reliable, and cost-optimized cargo movement.

Key Highlights:

- Port-to-inland connectivity
- Coastal + road integration
- Containerized movement (FCL, LCL, Reefer, ODC)
- Unified documentation & tracking
- Customs & regulatory support

Your Benefit:

Simplified logistics with **lower costs, faster turnaround, and greater reliability.**

4. Depot Management - We ensure **efficient and secure container handling** through modern depots equipped with global-standard systems and facilities.

Key Highlights:

- Container storage (dry & reefer)
- Maintenance & Repair (M&R) services
- Gate-in / Gate-out operations
- IICL-compliant inspections
- Digital Yard Management Systems (YMS)
- ISO-certified facilities

Your Benefit:

Faster turnaround, extended container life, and **global-standard reliability.**

5. Warehousing - We provide **modern warehousing solutions** that ensure safe, efficient, and well-managed storage of cargo.

Key Highlights:

- Secure storage for dry & reefer cargo
- Temperature-controlled & bonded facilities
- Inventory management & order fulfillment
- Value-added services (packing, labeling, palletizing)
- Strategic locations near ports & ICDs

Your Benefit:

Simplified logistics with **lower costs, faster turnaround, and greater reliability.**

6. Transportation - We deliver **flexible and reliable road transport solutions** across India, ensuring timely and safe cargo movement.

Key Highlights:

- FTL (Full Truck Load) & LTL (Less than Truck Load)
- Reefer trucks for temperature-sensitive cargo
- ODC & heavy cargo movement
- GPS-enabled fleet tracking
- Nationwide coverage with reliable transit times

Your Benefit:

Seamless inland connectivity with **safe, timely, and cost-effective transport solutions.**

7. Project Cargo - We specialize in handling **over-dimensional, heavy-lift, and complex cargo projects** with precision and expertise.

Key Highlights:

- Route surveys & feasibility studies
- Specialized equipment & lifting solutions
- ODC & heavy-lift cargo handling
- End-to-end project logistics planning
- Coordination with port, customs & transport authorities

Your Benefit:

Simplified logistics with **lower costs, faster turnaround, and greater reliability.**
